Frequently Asked Questions

BEN & JERRY'S
catering!

We can help you
celebrate
...for any reason,
any time,
& any place!

What kinds of events do you cater?

We cater events of all sizes — from birthday parties, weddings, and Bar/Bat Mitzvahs to tenant and employee appreciation events, fire drills, and other corporate gatherings. Planning something larger? Ask about our Scoop Truck and expanded catering equipment to serve big crowds efficiently!

What Ben & Jerry's Equipment is included?

Our team arrives with a Signature Ben & Jerry's Scooping Station, which includes:

- 1–2 six-foot tables & linens, Ben & Jerry's branded table topper & all serving utensils and equipment needed for your event

Everything is set up to deliver a smooth, professional, and fun service experience.

How long will you serve?

Our team typically arrives 30 minutes prior to your scheduled start time to allow for setup, traffic, and parking. Standard service runs for 1 hour, followed by cleanup of our service area.

Need more time? No problem — additional service time can be added to your event. Just let us know when booking!

Can you do an outdoor event?

Absolutely! We're happy to serve outdoors.

For outdoor events, the serving area must be covered (tent, pavilion, covered porch, garage, etc.) to protect from the elements.

If you don't have coverage, we offer:

- Ben & Jerry's Branded Tent – \$175
- Umbrella – \$35
- Scoop Truck Experience – \$250

Important for public events:

Ben & Jerry's attracts a crowd! If your event is in a public space, we recommend providing a way to identify invited guests (tickets work great).

Our team will serve all guests unless instructed otherwise. Additional servings beyond your guarantee may impact your final invoice.

What is a guaranteed minimum order?

Your guaranteed minimum is the number of servings listed on your signed quote.

- Changes to your order (guest count, packages, equipment, etc.) can be made **up to 7 days** before your event
- A new quote must be signed, and full payment is required at that time
- No refunds will be given if your event serves fewer guests than your guaranteed minimum

We do not offer all-you-can-eat service unless all product provided at the event is pre-purchased in advance.

Before your event, we'll confirm your preferences for second servings, extra servings over guarantee, & To-go portions

Important:

- All servings count toward your guaranteed minimum
- Any servings beyond your guarantee will be charged accordingly

Clear communication ahead of time helps us deliver the best experience for your guests — and avoid surprises on your final invoice.

What happens with "left-over" ice cream?

We plan ahead so you don't run out — we typically bring approximately 20% more product than your guaranteed servings booked.

However:

- We cannot predict which flavors or toppings will be most popular
- While we do our best to offer all selected options, availability may vary during service

After your event:

- Ice cream needed to fulfill your guaranteed minimum can be portioned, lidded, and left in an on-site freezer (if available)

We do not leave additional unserved product beyond your guaranteed amount unless requested in advance. Additional servings will be charged accordingly.

Any unserved portions not needed to meet your guaranteed minimum are reallocated to assist our Changemaker Program, where we share ice cream with local community organizations like schools & non-profits to spread peace, love & ice cream to all!
